

# MILWAUKEE ANGELS BASEBALL

2023 - 24 PROGRAM GUIDE

*Three Decades of Developing  
Wisconsin's Premiere Youth Baseball Players.*

## ABOUT US

The Milwaukee Angels are an elite travel baseball & softball organization committed to the development of both the character and athletic abilities of young athletes. Founded in 1994, the Milwaukee Angels established their baseball program and in 2019 expanded their program with fastpitch softball. The Milwaukee Angels offer baseball and softball instruction and development for all ages. Also, in 2019, our baseball program partnered with Cody Smith and the Midwest Halos to transition their skill set to the next level.

Today, the Milwaukee Angels provide the state's very best players with intensive skill development through high level coaching and opportunities to face top competition via state, regional and national tournaments. In 2024, the Milwaukee Angels will celebrate 30 years and will continue to be known in Southeastern Wisconsin for our success on and off the field.

The Milwaukee Angels will be represented by 13 youth baseball teams for the 2023-24 season. The Angels are coached by some of the area's most successful and respected coaches including John Lutz, a former Kansas City Royal, Kevin Kehoss, the head coach at Pius XI High School, New Berlin Eisenhower Varsity Coach Nick Wycklent, as well as former Division III National Champion Mike Jacobson.

## INDOOR PRACTICES

All indoor practices will take place at the Milwaukee Angels' 35,000 sq foot facility. Generally, each team is given 180 minutes (3 hours) of practice time each week that take place from November- April on both weeknight and weekday timeslots. Outdoor practices take place at local fields determined by coach's preference and field availability.

We understand and appreciate that many of our players are multisport athletes and may not be able to attend every practice due to conflicting schedules. All players are expected to mark their availability for each practice/game using the TeamSideline application to allow for our coaches to make successful practice and game plans.

## FACILITY

"The HALO is the 35,000 square-foot indoor facility located in Muskego, Wisconsin used by the Midwest Halos and Milwaukee Angels baseball and softball teams to train and develop. All of our teams utilize the facility and its amenities throughout the year. Individual players have the ability to reserve cage time as part of their annual players fees as we prioritize the training and development of our athletes. The Halo Facility features a 6,000 sq. ft. weight room, a full infield, 5-8 cages, 160 ft. long toss/velocity tunnel, pitching machines and a plyo wall. The facility features a parents waiting area with digital viewing and window access to the training facility, as well as, a team store and concession stand for special events.

The facility is located at: W160 S6369 Commerce Drive Muskego, WI 53150

## NEW IN 2023

The Halo Facility brought in two additional partners in 2023 to allow multisport athletes to train and develop with the best youth training programs in the area.

The Pro Lane-Provides training and development for boys and girls basketball.  
<https://www.thepropane.com/>

Volley House-Provides training and development for aspiring girls volleyball players.  
<https://www.haloathletics.org/volleyhouse>"

## CAMPS & CLINICS

The Milwaukee Angels hold several opportunities for players to develop throughout the year. Clinics, camps, and personal training sessions are open to all athletes, regardless of their relation to our organization. Cost of these items are not included in player fees.

Active camps, clinics, and lessons can be found on our website  
[www.haloathletics.org/camps-lessons-register-now](http://www.haloathletics.org/camps-lessons-register-now)

## FUNDRAISING

The WYSA will hold one major fundraising event per year, which will be on February 10th, 2024. The Milwaukee Angels & Midwest Halos Swing by Social is a family friendly event with games, raffle baskets, 50/50 raffles, great food with popular food trucks and cash bar.

This is a mandatory fundraiser for all families within both programs and it is the responsibility for each player to contribute the following:

- 🎟 Each player will be responsible for selling 10 tickets at \$20.00 per ticket. Families with multiple athletes in the organization (3+) will only be responsible for a maximum of 20 tickets.
- 🎟 Upon accepting your player agreement, each family will have the option to "opt-out" of the Swing by Social fundraising responsibilities for a one time fundraising fee of \$400.
- 🎟 For families who do not ""opt-out"" of their fundraising responsibilities and elect to participate in the Swing by Social fundraising responsibilities, you agree to the above requirements.
- 🎟 The Halo Facility and each individual team may host their own fundraising events, outside of the annual Swing by Social. These events are at the discretion of the organization and/or the individual coach and may be an additional requirement.

## FAMILY MEMBERSHIP

New for the 2023-2024 Season, we will be offering a family membership to all Milwaukee Angels & Midwest Halos families to The Halo Facility (field, cages & weight room) to create a cost effective way to help all your athletes with continued development, regardless of the team they play for.

Player memberships are included for every player every year in their annual player dues, however, we are offering an additional option to purchase a Family Membership where families can enjoy access to our facility for the active year at a heavily discounted price during regular hours of operation.

Each Family Membership includes the following benefits:

Three (3) additional family member badges to be used for siblings, family and friends.

Unlimited access to batting cages, field and weight room reserved through our reservation system on a first come, first serve basis

Monthly Price: \$50.00

Annual Price: \$500.00 (2 months free)

*\*The Halo Facility hours vary weekly and reservations must be submitted through our reservation system 24 hours in advance or call 262 746 4256, option 1 for same day requests.*

*\*Members must present membership badge upon entering the facility or they will be denied access*

*\*This membership does not include access to The Pro Lane or Volley House courts.*

## SPONSORSHIP OPPORTUNITIES

The Wisconsin Youth Sports Association and specifically the Angels baseball and softball teams as well as the Midwest Halos heavily rely on the support of the community. In all, the organization has more than 30 teams for 2023 that develop in a year-round capacity at the Halo. Maintaining the facility as well as updating it with the technology necessary to maintain the highest of standards for our youth is a challenging task.

So how can you and/or your business get involved with supporting the Midwest Halos or Milwaukee Angels Baseball or Softball club? Good question. We have a number of partnership opportunities and we're open to any creative ideas you might have about how you can support our mission. Here are a few opportunities:

-  Halo Platinum Sponsorship
-  Baseball Field Sponsorship
-  Throwing Tunnel Sponsorship
-  Batting Cage Sponsorship
-  Outfield Sign Sponsorship
-  Fans in the Stands

For more information on Sponsorship, visit <https://www.haloathletics.org/sponsorship-opportunities>
